## Loft & Condo Update

COURTESY TIVOLI PROPERTIES

Tivoli Properties broke ground last month on Tivoli Tenside Luxury Apartments at 1000 Northside Dr. Consisting of two five-story buildings offering a total of 291 homes, the development is expected to open in fall 2008. Tivoli Tenside will feature one-, two- and three-bedroom apartment homes and nearly 30,000 square feet of retail space, including al fresco restaurants, coffee shops, boutiques and salons. Because of its proximity to Georgia Tech, the property is being marketed as an alternative to dorm life and for faculty members who want to live near the campus.
